

Raghu Engineering College

Raghu Engineering College established in the Academic year 2001-2002 with the approval of AICTE (All India Council for Technical Education), permanent affiliation to JNTUK, Kakinada, accredited by NBA. The college has been sanction 'UGC Autonomous' Status

Computer Society of India

The seed for the Computer Society of India (CSI) was first shown in the year 1965 with a handful of IT enthusiasts who were a computer user group and felt the need to organize their activities. They also wanted to share their knowledge and exchange ideas on what they felt was a fast emerging sector. Today the CSI takes pride in being the largest and most professionally managed association of and for IT professionals in India. The purposes of the Society are scientific and educational directed towards the advancement of the theory and practice of computer science.

TARANG Summer 2020

TARANG is a National level Technical Fest conducted by Department of CSE, Raghu Engineering College that provides an amazing platform for all the students of various institutes across India to come together to show-off their skills and talents by participating in various events

Win Exciting Prizes!!!

TARANG Events

Hackathon

Put your brains to work by crunching a complex problem statement and come up with effective and efficient solutions for the win!

C-Collegium

Test your knack for coding and see if you have what it takes to solve the posed problems.

Techno Quiz

Take our quiz to find out. Test how much you know about technology and learn a thing or two about the tech topics that will reshape our future.

DB-Mania

If you are a database maniac, you are in the right place. Participate in this event and experience the thrill of SQL queries!

Tech Explore

Submit your ideas on a paper and give your views on the current gen tech.

Flyer Manifest

Present your ideas in a visual style that could rise up the heat within other minds.

Blockchain Workshop

Blockchain is an emerging platform for developing decentralized applications and data storage, over and beyond its role as a platform for cryptocurrencies.

CSE Department

The Department was established in 2001-2002. We have been striving hard for its overall excellence in achieving its mission by successful placements, co-curricular and extra-curricular activities.

The mission of Computer Science Engineering Department is to impart high quality professional training in undergraduate level with emphasis on basic principles of Computer Science and Engineering and to foster leading edge research in the fast changing field. The objective of the department is to prepare the students to be succession in computer engineering practice and to be able to pursue advanced studies in computer engineering and computer science a competitive universal basis. The mission is a culmination of the department's effort to meet the mission of Raghu Engineering College.

MyProfessor App

MyProfessor is one of India's emerging ed-tech platforms that offers highly interactive, personalized and effective learning programs for engineering pursuing students and aspirants of competitive exams like GATE.

We ensure the following qualities in our content.

- Modernize Learning
- Empower students
- Measure growth
- Immerse students
- Address quality in learning

We achieve this, not by making our content differently but making it practically with our experience. We don't do adaptive learning whereas we do, we make, our content to adapt according to the teaching style of our students.
